

OAKLAND BAPTIST CHURCH CEMETERY

This Cemetery was revisited and verified by Dave Hallemann and Carole Goggin on Oct 8, 2006. All changes, corrections, and additions are show in italic bold. The sign on the fence now reads Oakland Mammoth Baptist Cemetery. Noticed several fieldstones and 3 un-carved red granite markers. This Cemetery is located in T39 R3 S11. Unfortunately the original recorder was not listed on the document we worked off of.

This cemetery is well kept, though it is seeing attacks from weather and some vandalism! I know from experience in search of my Great grandfather that some death certificates may have "buried at MAMMOTH" this would be the cemetery you want as it is on Mammoth Creek Road and was located in a small community called Mammoth. All that remains is the old church from what I can see and the cemetery. There are quite a few beautiful old headstones.

T. J. H. (foot stone no head stone!) (*see **)

Some large "chunks" of Granite for markers, some plain ROCKS. (DAVID son of ? Stone is broken, a lamb is on top) (*see ***)

Large stone toppled over on its face Can't read, the matching footstone is A. K. (*see ****)
